Had to Go Back.

Mr. H. T. Huey and family who came here in the fall of 1914, and made a crop in Scurry county last year left Wednesday for their old home in Oklahoma, where they will reside. Mr. Huey likes this country and wanted to stay here, but he couldn't get the sort of farm premises he wanted and they reluctantly decided to move back to Oklahoma. He is a good man and would have made us a good citizen. This is another argument for our land owners to make better provisions for ten and farmers.
